AMERICA'S MEDIA WATCHDOG

Terry,

## **NOW is the time to CALL YOUR SENATORS!**

Just today, the top four Senate offices on our campaign landing page are starting to send calls to voicemail! **They're overwhelmed by folks telling them to vote already and get back to work. (Btw, many House and Senate offices use voicemail transcribing software that turn each call into a written complaint that is counted as a contact of their office. So being sent to voicemail isn't a bad thing!)**

**This is urgent, and the message cannot be overstated:** Every politician promised action and real legislation. Too much time is being wasted on impeachment — all the focus is on impeachment when **our Senators are distracted from doing their actual work: to improve Americans' lives.** This is exceedingly **damaging to our Republic**, *both now and in the future.*

## **CALL YOUR SENATORS NOW**

The media has truly **flip-flopped** on impeachment, which can be seen in **1999 during President Clinton's** Senate trial promoting the idea that adding witnesses would unnecessarily lengthen the process.

**Check out this comparison montage of the media in 1999 and today:**

**It's time for the Senate to get back to work instead of wasting time and taxpayer dollars on impeachment!**

**Melt the Senate phone lines and urge both of your Senators to acquit President Trump.** Show America that you won't stand for this outrageous, unwarranted bias against the President. ***Every call matters, place yours today!***

**— The MRC ACTION Team**

**P.S. If you need instructions to place a call:**

- After navigating to our campaign [landing page](#), enter your phone number on the top right side of the web page under “Enter your phone number to call your officials!”
- Click on the “Contact Your Senators” button
- From there, you can see recommended talking points, as well as which Senators you'll be calling
- Click on the “Call Me” button to receive an automated phone call from our software where you will be prompted on your next steps
- You will be ushered through calling each of these contacts, with instructions in between each call
