Fellow American,

The fake news media is lying to you—again.

And this time, it could cost you a fortune.

In their desperate attempt to knock down President Trump at every turn, they want you to believe that his Make America Great Again agenda is floundering.

But you and I know better.

My name is Charles Payne, and you may know me from my show on Fox Business News or my regular appearances on Fox News.

**Charles Payne:**  
Fox Business Host

And today I want to make sure you know the truth about President Trump's progress and how to profit from it in 2018.

President Trump has quickly slashed regulations that were crushing businesses, killing jobs and holding back spending.

And now he's about to push through the biggest tax reform our country has seen since Ronald Reagan.

His ambitious plans for America have unleashed corporate spending, fueled a raging bull market and sent consumer confidence soaring to 17-year highs.

And that is creating huge profits for smart investors.

We've been locking in big, quick profits all year from our Trump Trades:

- My top defense play jumped 22.7% in just over 4 months
- My top chemical and manufacturing company rocketed 22.6% in just 9 weeks
- And my top construction company delivered a quick 21.9% in just 4 months

Today I want to tell you about [five NEW Trump Trades](#) I'm buying now.

I've just released a brand-new report, ***Making America Great Again: 5 New Trump Trades***, with all the details on these 5 home-grown American companies.
