An Urgent Message From Our Newsmax Sponsor, The National Republican Trust PAC

Dear Newsmax Reader:

As you know, The National Republican Trust PAC is playing a major role in the battle for the special Congressional election in New York, set for Tuesday, March 31st.

That's just a week away but it is already turning into a major national battle. **Obama and Nancy Pelosi are pouring millions into the race along with the help of their major union allies.**

They know the stakes. If their candidate, liberal Wall Street Democrat Scott Murphy loses, **it will send a big message to every Democrat in the House and Senate that they could lose if they back Obama's radical agenda.**

You see, this Congressional district was once held by a Democrat, who vacated her seat to take Hillary Clinton's place in the Senate.

Now, conservative Republican James Tedisco is fighting to win.

Incredibly polls show Tedisco either neck-and-neck or just ahead of Murphy.

We can win this seat! We need your help [Go Here Now](#).

We are so committed to winning this seat, we are pouring in hundreds of thousands of dollars in TV ads and more.

In fact, according to the latest AP report on the race, we at The National

Republican Trust PAC have spent more money on this race than the National Republican Committee and the Congressional Republican Committee combined!

As you know, we have a strong track record.

We spent nearly a \$1 million in the special Georgia race and Republican Saxby Chambliss won by a landslide despite the fact all the polls showed he was tied with his opponent.

Right now, we are preparing a new TV commercial exposing the fact that the Obama-Pelosi-backed Murphy supported the stimulus bill which protected bonuses for AIG fatcats.

We believe when hard-working New Yorkers hear the truth about this they will send an incredible wake up call to the radical Pelosi Congress that didn't even read a nearly \$800 billion spending bill before they voted for it!

We can win this March 31st, but we need your continued help to do it.

Please donate today [Go Here Now](#).

Thank you.

Yours for America,

Scott Wheeler
Executive Director

P.S. The liberal media is so outraged by our efforts at The National Republican Trust we are even being targeted. For example, the liberal Albany Times-Union newspaper printed a false claim that one of our TV ads was rejected from a local TV channel. Though it was not true they refused to print a retraction. Help us bypass these old, dying liberal media outlets and take our voice to the people [donate here now](#).
