### Buy-the-Dip Strategy Is Failing

## What Does Jerome Corsi Really Know?

Dear -1,

We told you this would happen. Now he's terrified — afraid for his life.

Look, they're after him big time — the Deep State.

America's shadow government is gunning hard for the man who exposed the truth...

The highly respected author and commentator who revealed the dark money trail in Washington — from Clinton to Obama to Comey to Lynch and scores of others in the highest-ranking positions in Washington.

Dr. Jerome Corsi revealed their deals with the Russians...

Their fueling of riots and racial tensions right here in America...

Deals with dirty dictators...

And the slew of smoking-gun text messages that led to the firing of a top FBI agent.

It was Corsi who exposed the fake Steele dossier that was meant to torpedo Trump and his presidential bid.

And if that didn't work to stop Donald Trump's presidency...

Corsi even revealed their insider code name for getting Trump — “PRUDENTIAL.”

Dr. Jerome Corsi spilled it all (and SO MUCH MORE) in his new blockbuster bestseller, *[Killing the Deep State](#)*.

**Now he says he will soon be indicted — despite passing two polygraph tests administered and analyzed by the nation’s leading experts.**

“This was one of the most... frightening things I’ve experienced. I’m 72 years and I’m afraid they’re going to lock me up and put me in solitary confinement.”

Wait... you haven’t read Dr. Jerome Corsi’s *[Killing the Deep State](#)*?

What are you waiting for? This is, quite possibly, the most explosive book on Washington ever written.

It’s so shocking and so revealing we decided to foot the bill and just **[GIVE IT TO YOU — FREE](#)**.

Listen, you’d better **[get it here now](#)** because Corsi is at the very epicenter.

Mueller’s team says he knew too much...

What exactly does Corsi know?

Look, it’s all in the book and it’s way too much to put here, but I can tell you this...

In this riveting and downright shocking exposé, Corsi connected all the dots...

Wouldn’t you know, now he’s been summoned by Mueller to appear before a grand jury.

It was only a matter of time something like this would happen — surely a travesty of justice.

One thing’s for sure...

Mueller’s office has emails and phone records.

As Corsi has insisted...

He just put all the pieces together, connected all the dots.

Seriously — it’s what he does best and anyone who follows Corsi knows this.

Corsi’s only “crime” was putting them in a tell-all book. (Remember, **[get your FREE COPY here](#)**.)

Even Roger Stone says, “Dr. Corsi... refuses to do anything but tell the truth, which is why they may be indicting him.”

Rest assured, the Deep State will stop at nothing to shut Dr. Corsi up.

A New York Times bestseller, ***[Killing the Deep State](#)*** left no stone unturned. But...

**We’re also betting Corsi knows more than he’s even revealed in the book.**

What does he know? Stay tuned — we will be the first to tell you.

In the meantime, [claim your FREE COPY of \*Killing the Deep State\*](#).
