There's spiritual warfare swirling around THIS book

Your prayers, financial support needed urgently

by Joseph Farah

I don't make this claim lightly: Satan is pulling out all the stops in subverting plans for the release of the most important book I have ever written.

I desperately need your prayers and your urgent financial support for "The Gospel in Every Book of the Old Testament," scheduled for national hardcover release in September, but available to you right now in an early e-book version at Amazon.com and also through the WND Superstore.

The book quickly reached No. 1 at Amazon earlier this month before negative "reviews" were posted by some opposing the Trinity and others objecting to the price! (The book is actually available for FREE at Amazon, though we are asking those who can help us financially to buy it to offset the immense costs involved in our need to print some 100,000 copies in August.)

But the opposition comes in all forms – health challenges, financial crises, technology issues, you name it!

I absolutely believe that the power of Holy Spirit-led prayer can overcome all opposition like this. I've seen it before. There's no power like it on Earth – certainly not demonic power. Please surround us in prayer today, tomorrow and through September as we do everything we can to get this book out to people who want it and need it to spread the Good News of repentance, redemption and restoration.

I also ask you to do whatever you can to support this project financially in its critical hour.

Here are four ways you can do that today!

- Tax-deductible grants and donations in any amount can be made online through the missions organization [Gospel for All Nations](#) or by mailing checks to GFAN at 580 E Street – PO Box 100, Hawthorne, NV 89415-0100.
- Don't care about a tax deduction? [You can also contribute directly to WND here.](#)
- Want to learn more about this project so you can surround it in prayer? [Visit OldTestamentGospel.com.](#)
- Want an immediate copy of the early e-book version? You can [order it from Amazon.com](#) or from [the WND Superstore and receive it today!](#) Your purchase will help offset the imminent costs of the hardcover edition.

Please make sure your contributions are sent soonest – and certainly by July 20 – as deadlines for print orders are looming. Thank you.
