Joseph Farah is the founder, editor and chief executive officer of WorldNetDaily.com, the world's leading independent news site.

# FARAH'S LATEST OBAMA BOMBSHELL

## Leaves McCain Scandal in the Dust

He has hosted a nationally syndicated talk-radio show and has written for such publications as the Wall Street Journal, Los Angeles Times, Boston Globe, San Francisco Chronicle, Chicago Sun-Times and a host of other publications.

In an article published by [World Net Daily](#) today, Joseph Farah discusses the latest [Obama bombshell](#) and analyzes the **Obama** and **McCain** scandals in the media.

Farah made a name for himself with traditional daily newspapers, prior to his founding of World Net Daily, running the Sacramento Union, and directing the news operation of the Los Angeles Herald Examiner for six years.

Farah says that while **Senator John McCain** is accused, by unnamed sources, of having a romantic interest in a female lobbyist nine years ago, **Senator Barack Obama** is accused of having a risky homosexual dalliance with someone he picks up in a bar, while scoring powdered cocaine for his partner and crack cocaine for himself, about nine years ago.

He speaks all over the world on topics ranging from the Middle East to the media, to domestic policy issues, and is the author of "Stop the Presses!" by WND Books.

**In the McCain scandal**, there are no specific allegations of sexual or drug-related incidents, notes Farah, and both **McCain** and the lobbyist deny this activity ever took place between them.

**In the Obama scandal**, however, Farah says the alleged partner makes his charges public, agrees to a polygraph and files a lawsuit reiterating the charges and accusing **Obama** of harassment and intimidation. Unlike **McCain**, **Obama** refuses to deny the allegations.

**To schedule an interview with Joseph Farah, contact: M. Sliwa Public Relations, 973-272-2861 / 212-202-4453, [media@mliwa.com](mailto:media@mliwa.com)**

Farah says he is an independent journalist who supports neither **Obama** nor **McCain**, and says WND will continue to report both stories regardless of whether he supports either candidate.
