Terry,

We've surveyed many Christmas wish lists, and yes, we checked them twice. Brent Bozell's new book "**Stops Along the Way**" is right at the top, just edging out Playstation 5, Apple Watch, Peloton Bike, and Peace on Earth. Uh, maybe we should check those lists *thrice*! Ho! Ho! Ho!

While you're roasting chestnuts on an open fire, "Stops Along the Way" makes a perfect and cozy companion. And **the book is filled with magical read-aloud stories** everyone can enjoy!

Give *yourself*, your friends, and your loved ones **the gift that will truly make Christmas the most wonderful time of the year!**

Pre-order your copy of Brent Bozell's "Stops Along the Way," [available at online booksellers everywhere!](#) Release date: December 7, 2021. Proceeds benefit the [MRC](#).

P.S. Reviews are in!

This isn't a book--it's a raucous adventure, written in an effortless style that masterfully paints a picture of a life lived to its absolute, no-holds-barred, every-minute-like-it's-your-last, fullest.

- Craig Shirley - Best-Selling Author

So Brent, the creator, and soul of the watchdog Media Research Council has chosen some of the juiciest fruit he has collected from his many years right in the middle of the political garden--but added lots of enjoyable seasoning from his personal true adventures in many other facets of his life. I promise you'll not want to put it down and return to the sad, troubling, and harsh realities around us--Take a Bozell Break. You'll thank me for it.

- Pat Boone - Singer and Conservative Commentator

Brent takes storytelling to a level I haven't seen in years. Tales of adventure that take you from Virginia to Spain to Europe to Nicaragua to DC back to Virginia to being on a plane that may be getting hijacked! A thoroughly entertaining read!

- Hon. Jim DeMint - Chairman, Conservative Partnership Institute
