**MRC will be at the Loudoun County school board meeting today as teachers and parents fight Critical Race Theory, “Trans” In Any Bathroom, and “Genderless Pronouns” In Loudoun County, Virginia Schools**

On Tuesday, June 22, staff from the **Media Research Center (MRC)** will be on hand to cover the incendiary **Loudoun County Public Schools (LCPS) Board meeting, in Ashburn, VA**, as concerned parents, teachers, and students fight the leftist agenda to cement **Critical Race Theory**, the admission of **“trans” students into any bathroom or locker room**, and the **banning of “gendered speech”** in all district schools.

**The Heroism of Byron Cross**

You might have seen **MRC reports on the shocking suspension of Byron Cross**, the elementary school gym teacher who warned Loudoun board members that he would not comply with their proposed **“Policy 8040,”** requiring school employees to address students using the **“gender pronouns” of the students’ choices**, not the pronouns that were **grammatically and scientifically correct**. Indeed, it looks like the **LCPS Board suspended Cross** simply because he stood for the **proper use of the English language**.

## The Courage of Lilit Vanetsyan

You also might have seen **MRC chatting, in person, with Lilit Vanetsyan**, a Fairfax County-based teacher who, **at a recent Loudoun board meeting**, also railed against the LCPS policy proposals, especially **Critical Race Theory**, explicitly saying that the proposed policies will push a radical lesson plan prompting kids to “root for socialism by the time they get to middle school.”

## The Integrity Shown By Student Jolene Grover

And you might have seen **eleven-year-old Jolene Grover**, who exposed the creeping agenda of the LCPS Board’s **“Policy 8035,”** which **opens school bathrooms and locker rooms** to anyone who “identifies” as “transgender” or a member of the opposite sex.

Now, Vanetsyan and others are pushing for the **removal** of six LCPS Board members and the vanquishing of these **anti-family, anti-reality, collectivist agendas, this afternoon, at 4pm ET.**

**The LCSB meeting begins at 4pm ET**, and its **agenda** includes **“adoption of Policy 8040”** as well as discussion of the bathroom/locker-room policy, and word is spreading that this will be a powerful moment for the kids, parents, teachers, and **ALL taxpayers forced to pay** for the increasingly progressive agenda being pushed by the bureaucracy.

As an **MRC Action member**, we want you to know what the MRC team is doing, right there, on the scene, to keep families and friends informed about this very important battle, and the ideology against which the Loudoun residents fight.

**Transgenderism**, the claims of **“inherent racism”** leveled against innocent people by the pushers of **Critical Race Theory**, the destruction of the language, and even the inclusion of biological males in girl’s bathrooms — it’s all being exposed, today, at Ashburn.

**Thanks to you, the MRC will be there.**

Please keep us and the good folks who fight for their kids and their tax dollars in

your prayers.
