AMERICA'S MEDIA WATCHDOG

Terry,

It's time to let your Senators hear the voice of the people.

**Tell the Senate to *stop wasting time on impeachment* and get back to work!**

## **CALL YOUR SENATORS NOW!**

The media have promoted their impeachment crusade since the day President Trump was elected. And the media elites are still pushing hard to promote impeachment. MSNBC contributors are even urging Congress to **cancel the State of the Union address to focus on impeachment.**

But Americans are simply sick and tired of impeachment...just look at the ratings! **3 million people tuned out when the major networks (ABC, CBS, and NBC) switched from soap operas to impeachment.** *That's right, The Young and the Restless has higher ratings.*

Why?

Because the American people are sick and tired of **nothing getting done in Washington.** Politicians promise action, and **instead of working they are dragging out this impeachment process.**

It's time for Senators to vote and **get back to their jobs.** *You can make a difference!*

## **TAKE ACTION NOW**
