Dear Terry,

If you're like me, this is the time of year you're starting to lock in travel plans for the winter.

Before your calendar starts to fill up, consider taking the plunge and booking your cabin for the Media Research

Center's [inaugural Caribbean cruise](#) on board the beautiful *Westerdam* cruise ship.

Can you think of a better way to take a break from the drudgery of winter than spending a week in the Caribbean with fellow conservatives and an all-star panel of speakers?

Special guests include MRC president and founder **Brent Bozell**, Senator **Mike Lee**, iconic columnist **Cal Thomas**, Tea Party Patriots co-founder **Jenny Beth Martin**, Family Research Council president **Tony Perkins**, and *Duck Dynasty* star **Alan Robertson**. They cannot wait to meet and talk to people like you, who care so much about our country's future.

We are happy to announce the addition of two more fantastic speakers to our line-up: celebrated documentary filmmakers **Phelim McAleer** and **Ann McElhinney**.

Phelim and Ann have produced documentaries exposing the Left's dishonest "global warming" agenda and their anti-fracking propaganda. They are currently working on a movie about convicted murderer and late-term abortionist Kermit Gosnell.

Here's what Ann and Phelim said about the [upcoming MRC cruise](#):

***"We've had the privilege of working with Brent Bozell and his team to promote our movie about the crimes of Dr. Gosnell. We've never been around a more dedicated team of professionals. When they commit to something, they do it right. So we expect nothing but the best on this cruise."***

If you're not familiar with Ann and Phelim, I strongly encourage you to Google them and learn about their great work. They are extremely talented and entertaining, and they are great friends of the MRC.

The cruise departs from **Ft. Lauderdale on February 13, 2016** and returns to

Ft. Lauderdale on **February 20**.

This cruise is a one-of-a kind opportunity for you to meet MRC's senior leadership and chat with conservative movers and shakers, including filmmakers Phelim and Ann.

We will have plenty of time to talk about important issues facing our country and the conservative movement, but our **number one goal is to have fun!**

We hope you can join us!

[Mark your calendar and book today before our block of cabins sells out!](#) All guests who book now will receive a \$100 ship credit good toward beverages, shopping, or anything you want.

We'll see you in February!

Sincerely,

**Ed Molchany**  
**SVP and Chief Marketing Officer**
