Breaking News from Newsmax.com

Special Note from Mayor Giuliani

Dear Supporter:

I want to thank you for your support of my **Rudy Giuliani Legal Defense Fund**.

I have been overwhelmed by the support of Americans like you.

When I took the decision to support President Trump, I knew I **would become a target of the left**, the Deep State and the big media.

During Trump's presidency, I worked for him without pay.

As a former U.S. attorney and Mayor, I believed the president could use my advice **as he faced a barrage of legal attacks – including claims he was a secret agent of Russia**.

During his presidency, we warded off all of these attacks.

But the far left was not finished with President Trump or me.

Since President Trump left office, they have launched wide-ranging legal attacks against him with four indictments in four jurisdictions, including 91 counts!

At the same time he has faced multiple criminal and civil charges in New York State.

I have been indicted – along with President Trump and others -- in Georgia after simply **exercising my constitutional right to challenge an election result**.

I am facing other legal cases across the United States. The left uses this "lawfare" to stop conservatives like me from speaking out.

Well, I can assure you, **they will never stop me from speaking out**.

America is too important to give up.

I want to thank you for your support – **it means so much to me and my family**.

President Trump has also thanked Americans for **supporting my Legal Defense Fund**.

Just this past week, I was sued again.

This time by Hunter Biden!

He is actually claiming I misused his laptop. **The very same laptop he denied owning**.

Yes, the same laptop his father said was not his son's, but a product of Russian disinformation.

As I said, I will continue to **fight against the forces of darkness** in this country.

But I need your help.

Consider again a donation to my **Legal Defense Fund**.

Your support has made a difference – **and will continue to**.

Thank you again.

Yours for America,

Rudy Giuliani
