If you think it's too late to save America from Obama and his "progressive" agenda, you will want to read this announcement.

Today, we start to TAKEOVER our government from the socialist and progressive establishment.

A new organization, [Takeover Super PAC](#), has been created by a group of people I trust. They're shrewd and solidly-conservative patriots. I believe [Takeover Super PAC](#) will launch the next, and LAST, American revolution. They will challenge America's new political establishment and party bosses to restore our Constitution.

Remember how we overpowered Obama and his comrades in 2010? The Tea Party proved we ARE the majority. Now it's time to make our voices heard once again!

I'm putting everything behind [Takeover Super PAC](#).

If you're like me, you're tired of supporting people and organizations who bargain away our rights. We elect alleged conservatives who go to Washington D.C. and become turncoats. Over and over again, we win elections but lose our

country.

It's time to stop pretending we can win by losing. [Takeover Super PAC](#) won't let you down. I trust this PAC 100%.

So I'm not giving my money to the RNC any longer. I'm not giving a dime to Karl Rove's Tea Party-hating PAC, and I'm not supporting spineless Republicans who lead us down the same liberal roads. I'm giving my money to Takeover Super PAC.

Takeover Super PAC is coordinating a national coalition of people just like you. And not just people, but technology too. Obama beat us with technology in 2008 and 2012. Takeover Super PAC won't let that happen again! Our goal is to topple the establishment - once and for all.

[Will you help me support Takeover Super PAC?](#)

I have a lot more to tell you. Believe me, this is historic. But today all I'm asking is that you join me. I need 1,000 patriots to join me TODAY.

To join Takeover Super PAC, simply click here NOW and donate \$3. That's all I'm asking from you today. Will you draw a line in the sand with me NOW and [donate \\$3 to Takeover Super PAC?](#)

Here's who has already agreed to support [Takeover Super PAC](#):

- Jerry Corsi
- Floyd Brown
- Steve Elliott

- Richard Viguerie

If you support these solid conservatives, then you will want to support [Takeover Super PAC](#). It's time for a new generation of conservatives to emerge. It's not time to give up. It's never too late for the sake of freedom!
