Crucial update: WND needs your help*Joseph Farah asks loyal readers to support Christian media pioneer*

Dear friend of WND,

A few weeks ago, I revealed to you that WND was suffering simultaneous attacks from multiple directions – many of them from the totalitarian bullies known collectively as Big Tech.

I explained how Google and its subsidiary YouTube had permanently demonetized WND and classified our pioneering Christian news organization as "dangerous."

Why? Dangerous for publishing the TRUTH. The truth about the Left's total theft and transformation of America's election system. The truth about the dangerous COVID "vaccines" the CDC now is forcing on your children. The truth about the full-scale foreign invasion of the U.S. the Biden administration has engineered. The truth about the widespread demonic grooming and surgical mutilation of America's children under the Orwellian banner of "gender-affirming care." And much more.

But that's what we do for a living – report the news truthfully. For more than 25 years, WND – whose motto from Day One has been "A Free Press for a Free People" – has performed the vital job of fearlessly reporting boldly and honestly, without fear or favor.

Unfortunately, the elites ruling today's America – from Big Government to Big Media to Big Tech to (increasingly) Big Business – are at total war with Truth. They hate it, it threatens them. So they feel compelled to stifle, censor, suppress and bury it in every way imaginable. Otherwise, the light of truth would shine in America and they and their evil agenda would wither away. As the Good Book says, "The truth will set you free."

But telling the truth is very costly – for us. Because of all the attacks on us, a few weeks ago I reluctantly revealed that we needed to raise \$100,000 by the end of October. Many of you generously pitched in – and thank you so very much to everyone who did. However, we still fell short – and even today we are still struggling to make payroll for our dedicated journalists and a few other key bills necessary for our continued operation. Therefore, if others reading these words are able to help in any way, large or small, that support is still seriously needed. And if you have already contributed, but think you could pitch in a little more, that would be wonderful and

appreciated. Every bit helps.

I hope and pray you can help us during this particularly tough time for WND.

I'm asking for the help of those who recognize the unique role WND plays in reaching the God-fearing American audience that, like us, supports limited government, national sovereignty and the traditional Judeo-Christian values that made America truly great.

Please keep us in your prayers. And consider helping us to weather this storm by [making a generous tax-deductible donation to the nonprofit 501\(c\)\(3\) WND News Center](#). You can [designate a one-time gift or a repeating monthly donation, using credit/debit card or PayPal](#). I, and everyone at WND, thank you in advance for your help.

For anyone who is in a position to contribute \$5,000 or more, I urge you to call the number of our financial director at 775-945-5958 (Monday-Thursday, 10:30 am-5:30 pm Pacific) so we can provide you any information you might need. Or email him at rdouglas@wndnewscenter.org.
