Why the leftwing media won't report on black conservatives

Pro-Family American,

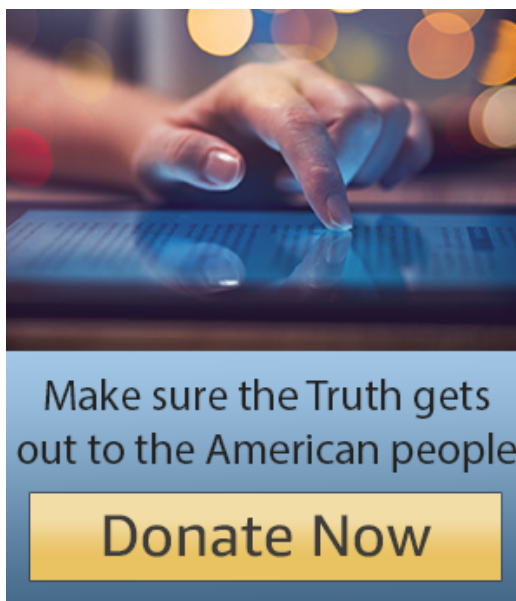

FIVE black conservative candidates won their primaries in Maryland!

Not a single one of them got a minute of airtime from the diversity-obsessed leftist media.

You and I both know why: **The elite media's goal in 2020 is to paint conservatives as racist reactionaries ... and they simply cannot do that if they report the truth.**

Here at WorldNetDaily, we believe in telling the truth to the American people... not a far-left "narrative."

But right now, WND is struggling ... because **Big Tech and the far left are doing everything they possibly can to suppress, censor and ban us, to defame us as "bigots" and "conspiracy theorists,"** to wipe out our advertising revenue, to silence our truthful reporting and shut us down – **and ultimately to brainwash the American people.**

If we're going to continue reporting honestly, factually and fearlessly, something America needs now more than ever, we need your immediate support.

Will you pitch in \$25 to WND right away, to make sure WND can continue to get the truth out to the American people?

Please make your most generous donation of \$25 – or even \$35, \$50, \$100 or more – to WND right away.

Thank you so much and may God bless you.

David Kupelian
Vice President and Managing Editor
WND

P.S. The "mainstream media" simply will not report the truth anymore. WND needs your help to continue doing the all-important job of delivering real journalism to the American people.

Please join us by contributing just \$25, \$35, \$50, \$100 or more to WND. Thank you.
