Friend,

WorldNetDaily's advertising revenues – our most crucial revenue source – unfortunately are down because of the coronavirus pandemic, as many companies have been hurt and are thus cutting back on their ad buys.

Will you please help us, and make sure that courageous, truth-based, pro-American journalism has a fighting chance in this era of wall-to-wall, far-left fake news?

Here's what's happening right now:

- The mainstream media has

stopped letting President Trump speak at his own press conferences... cutting away whenever he has anything to say about coronavirus.

- Liberal news networks are peddling complete lies about the Chinese Communist Party's involvement in attempting to hide this crisis.
- The far left is also trying to rewrite history by saying President Trump acted too late in the pandemic ... even though they viciously attacked his earliest actions against coronavirus as "racist," "xenophobic," "hysterical" and "unnecessary."

Look, you and I aren't dumb. We know the truth: **The unhinged left is attempting to use a global pandemic to destroy President Trump, AND to transform the United States of America into a socialist paradise — you know, like Venezuela.**

The only thing standing between the far left and absolute, 24/7 propaganda and disinformation? **Us. You and me, Friend.**

You and I fight for uncompromisingly truthful news reporting ... because without the truth, all is lost. **We must make sure the American people know the truth about what's going on in our country.**

Right now, WND is getting battered on all sides... because powerful, leftwing social media companies have decided to silence our voice and block or suppress our journalism every way they can.

If you think traditionally minded, decent, hardworking, law-abiding Americans need a voice in the media ... I need your help. **Will you help us continue to defend the truth by making a donation to WND right away?**

Please pitch in \$25, \$35, \$50 or even more right away. I'm counting on your help!

Thank you so much and may God bless you.

Thank you.**
