**But Joseph Farah’s ‘The Restitution of All Things’ has great reviews on Amazon**

*‘Made me think about so many things in a different light. Could not put the book down.’*

It’s like no other Christian book ever written.

It follows no other teachers but the Hebrew prophets, Jesus and the inspired writers of the Greek scriptures.

Yet, its conclusions are remarkably dissimilar to the most popular teachings of our day.

It’s Joseph Farah’s “[The Restitution of All Things: Israel, Christians and the End of the Age.](#)” Some find it shocking. Others find it refreshing. Everyone finds it challenging.

Read what Amazon reviewers say about a book that was scarcely promoted on Christian TV, radio or publications:

5 stars: “At different points in my life I’ve wrestled with the place the “law” has in my walk as a believer. Mind you, as a believer I’ve never felt uncertainty about the means of salvation, I believe the Bible is clear that salvation is the unmerited favor of YHWH through faith in Yeshua. But I have to admit I’ve struggled with what I’ve been taught over the years regarding the law and its intended place in a believer’s life in contrast with what a plain commonsense reading of the Bible seems to indicate. Within this context, it was with great encouragement that I read Joseph Farah’s new book, *The Restitution of All Things: Israel, Christians, and the End of this Age*. In this well written book Mr. Farah uses his penchant for investigative journalism to explore one of the most controversial subjects in today’s church, that is, the place Old Testament ‘law’ has in a believer’s life. Notice I said ‘believer’s life.’ From the outset of this book Mr. Farah makes it clear that he believes we are saved by grace through faith in Yeshua. What he challenges his reader to explore though, is the Biblical basis for honoring or not honoring YHWH’s timeless instructions and the consequences of those choices.”

5 stars: Fabulous read, stayed up all night, so much history and scripture: Well, written, extremely well documented. ... I love seeing the scriptures come alive and see God's patterns. I too believe in the continued sabbath. My question is how to practice this? Our entire American culture is set up for Sunday worship, we attend university football games on Saturday, high school sporting events Friday night, how does a disciple of Christ practically practice the sabbath? Even if I did, my believing family would not give up Saturday when we worship Sunday.”

5 stars: “Great insight to what's happening in today's "churches". Should be required reading for every ‘Christian.’ It answers many of the questions that face the world today. I bought the hardback version so I could pass it to my friends.”

5 stars: “Mandatory reading for who all who hope in the future! This book is a very clear, concise and complete study on Scripture and the reason we have to be filled

with hope! Rejoice our G-D reigns!!!!”
